1 PROPERTY 102 WESLEY LN. COATESVILLE PA 19320

2 SELLER JULIO + TUMKO APONTE

3 The Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that a seller of a property must disclose to a buyer all known
4 material defects about the property being sold that are not readily observable. While the Law requires certain disclosures, this disclo-
5 sure statement covers common topics beyond the basic requirements of the Law in an effort to assist sellers in complying with disclo-
6 sure requirements and to assist buyers in evaluating the property being considered. Sellers who wish to see or use the basic disclosure
7 form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

8 This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and is not a substitute
9 for any inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a war-
10 ranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address
11 concerns about the conditions of the property that may not be included in this Statement. This Statement does not relieve Seller of the
12 obligation to disclose a material defect that may not be addressed on this form.

13 A Material Defect is a problem with a residential real property or any portion of it that would have a significant adverse impact on the
14 value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or sub-
15 system is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.
